

## **PRESS RELEASE**

The Commission of Inquiry into the Creation of New Regions commenced work after its inauguration by His Excellency Nana Addo Dankwa Akufo Addo, the President of the Republic on Thursday 19<sup>th</sup> October 2017. The Commission was tasked to establish whether there was a need and substantial demand for the creation of new Regions based on petitions received by the President and advice from the Council of State as required by Article 5 of the 1992 Constitution.

The Commission has taken the view that need and substantial demand can only be established through consultations with the public. Consequently, the Commission adopted an approach which separated the consultations into three broad phases. The first phase involved consultations with the Chiefs and Opinion Leaders who had submitted petitions to H.E President Nana Addo Dankwa Akufo Addo. These consultations were in-camera at the Castle, Osu from 21<sup>st</sup> to 29<sup>th</sup> November and 5<sup>th</sup> December, 2017.

Upon the conclusion of consultations with the Petitioners, the Commission embarked on consultations in the regions from which the petitions had come. This second phase of consultations commenced in the Western Region in December 2017. The public consultations were preceded by in-camera discussions with the Regional Houses of Chiefs. The consultations in the Western Region began with consultations with the Western Regional Coordinating Council and the Western Regional House of Chiefs, public hearings in Takoradi, Enchi, Wassa Akropong, Adaborkrom, Sefwi-Wiawso and Bibiani.

In January 2018, the Commission continued with its public consultations, this time in the Volta Region. After consultations with the Volta Regional Coordinating Council, the Commission held an in-camera discussion with the Volta Regional House of Chiefs, and continued with public hearings in Ho, Kete-Krachi, Nkwanta, Kpassah and Jasikan. The Commission also interacted with the public in Dambai, Ahamasu, Dapaah Junction and Kadjebi.

In February 2018, the Commission was in the Brong Ahafo Region and again after discussions with the Brong- Ahafo Regional Coordinating Council, held an in-camera consultation with the Brong=Ahafo Regional House of Chiefs, two public hearings in Sunyani as well as public hearings in Kajaji, Yeji, Atebubu, Nkoranza, Techiman, Kintampo, Goaso, Sankore, Hwidiem and Bechem.

Last month, the Commission was in the Northern Region and after interaction with the Northern Regional Coordinating Council, an in-camera discussion with the Northern Regional House of Chiefs was held. Thereafter, the Commission held two public hearings in Tamale and other public hearings in Damongo, Buipe, Bole, Sawla, Salaga, Nalerigu, Gambaga, Bunkpurugu, Yagaba and Walewale.
