

HERITAGE CARAVAN 2020- TERMS & CONDITIONS

CITI 97.3 FM is organising Heritage Caravan as part of its Heritage Month to create an affordable platform for individuals to have an exciting discovery of Ghana. Heritage Caravan generally visits town and tour sites in the various regions across Ghana.

RISKS ASSOCIATED WITH HERITAGE CARAVAN

The itinerary of Heritage Caravan typically includes travel in the regions of Ghana where some transportation systems, housing accommodations, health care, public safety and other facilities may be at levels below some internationally acknowledged standards.

Participants may experience increased risk of serious bodily injury, property loss and in extreme cases death, during the experience.

Participants should not participate unless they fully accept these risks and choose to sign the release of liability below.

CITI 97.3 FM will not knowingly expose tour participants to physical conditions that are dangerous or beyond those experienced by CITI 97.3 FM workers and partners.

CITI 97.3 FM places the highest value on the safety of Heritage Caravan participants. Coordinators will make every effort to ensure the safety of participants. If at some point in the trip you feel the need to terminate your participation in some aspect of the tour activities because of fears for your safety, CITI 97.3 FM coordinators will assist you in making alternative arrangements for the period of time in which you choose not to participate in planned activities, at your own cost.

CANCELLATIONS AND REFUNDS

Fees will be refunded less 20% of the registration fee, if cancellation or change resulting in a refund is received in writing no later than February 15, 2020. All refunds will be processed after the road trip. After February 15, 2020 fees are non-refundable.

Payments are only accepted in full. Your slot on the Heritage Caravan isn't guaranteed until full payments have been received. Substitutions are allowed at no charge.
